

Therefore, the rejection of claim 1 should be reconsidered. The same analysis should lead to reconsideration of independent claim 10 and independent claim 15.

In view of these remarks, the application is now in condition for allowance and the Examiner's prompt action in accordance therewith is respectfully requested.

Respectfully submitted,

PATENT TRADEMARK OFFICE

APPENDIX

In the Claims:

Please amend claim no. 3 as follows:

3. (Amended) The method of claim 1 wherein providing access to a first electronic programming guide includes providing said first electronic programming guide over the first [a] medium that also provides the program selections [content].

Please amend claim 8 as follows:

8. (Amended) The method of claim 1 including automatically providing said first electronic programming guide and providing said second electronic program [programming] guide in response to a user request.

Please amend claim 15 as follows:

15. (Amended) A system for providing video programming to a plurality of receivers comprising:

a content provider which provides content and a first electronic programming guide over a first medium to a plurality of receivers; and

a server accessible by said receivers to automatically provide a second electronic programming guide over a second medium to said receivers upon request from said receivers.

Please cancel claims 19-30.
